OLD LADY  
FEELING FINEAfter Taking Four Bottles Of  
Cardui, The Woman's Tonic.

Cobden, Ill.—"Having used Cardui,  
the woman's tonic, in my family, for a  
number of years," writes Mrs. Kate  
Mets, of this town, "and always with  
such good results, I feel it my duty to  
write you about it, so that you may  
publish my letter.  
My mother is living with me, and  
she is 52 years old. For the last three  
or four years, she has been troubled a  
great deal with cramping spells, and  
for days at a time, she would have a  
severe headache.  
She read of how much Cardui has  
helped other women who were sick  
and ailing, and decided to give it a  
trial. She began taking it three times  
a day, and since then has been getting  
along simply fine.  
Mother only used four bottles of  
Cardui, but she is no longer troubled  
with the severe headaches, and her  
stomach is so much stronger that she  
can eat most anything.  
We both feel that any lady who is  
not strong and well, would be greatly  
benefited by the use of Cardui.  
Try Cardui—l.

What Detroit, Michigan  
Says of The Hawaiians

"If the atmosphere of Hawaii con-  
tinually rings with such music as the  
Hawaiians furnished yesterday after-  
noon surely Hawaii is a mighty good  
imitation of Heaven, and it is a won-  
der that the whole world is not flock-  
ing to its volcanic shores.

"These natives are musicians ex-  
traordinary, and with exotic music  
that is enchanting, delight thousands  
wherever heard.

"After the program, hundreds filed  
off the grand stands or made their  
way towards home, humming the  
beautiful but weird airs of the Ha-  
waiian folk songs."—Detroit Free  
Press.
